

Getting a Library Card is Easy!

- As long as you currently live in Texas, you can get a card here.
- If you're 18 or over, just bring a Government Photo ID (Driver's License, State ID, Etc.) with your current address on it.
- If it does not have your current address, bring something along with it that has your name and current address (A piece of mail, lease, check stub, etc.) and we can set you up.
- For people who are under 18, a parent or legal guardian can accompany you to the Library and get you your own card.
- Replacement cards are free and can be obtained at the Front Desk. If you think that you can still locate your lost card, we can check you out at the Front Desk or give you your card number to get on the computers.
